## CANDLELIGHTING CEREMONY

**\* NOTE:** This ceremony will require 14 Songs for Bar Mitzvah & 13 Songs for Bat Mitzvah, one for each of the persons to be honored and one for good luck to the Mitzvah Boy/Girl. Please list the person(s) in the order to be called up and the corresponding music to be played. Proper order would be Great Grand Parents, Grand Parents, Aunts & Uncles, Cousins, Teachers, close Friends Of The Family, Friends, Siblings & Parents last. The Mitzvah Boy/Girl will say a poem or read a short paragraph for each person and then ask them to come up and light the next candle. A different song with special meaning will be played for each candle lit.  
**\* Have someone take a picture of each candle lighting for memories!**

Please use the Candle Lighting Ceremony Worksheet on the next page. If you need some ideas for songs, you can go to my website and click on Song List, where there are about 1,000 popular song titles. Website: [www.itsshowtimedj.com](http://www.itsshowtimedj.com)

We offer an interactive “Game Show” that includes specialized “Family Feud” style face-off equipment, including a podium, microphones, “slap” buttons, sound effects & more! The kids & adults love it alike! Two teams of persons compete against each other responding to Trivia Topics or Theme Songs from TV & Movies (our favorite!) Everything is customized for the age group level. Provides fun & entertainment for the participants & those watching the fun competition! It is used effectively to entertain your young guests during the cocktail hour and during the latter part of dinner when the kids are done eating before the adults and requiring some fun activity! Have some fun prizes for the winning team for extra excitement! (There is an additional charge for this optional activity, but worth it!)
